

Jaitra scored Mathematical Achievement Award-2023 in Sydney

[January 24, 2024 Lucknow Tribune](#)

Lucknow: It is a matter of great pride and happiness that Saurabh and Deepika Singh, who currently went to Sydney, Australia their professional education from India, their son Jaitra Singh K.G. in education, the renowned school in Parramatta West, Sydney has created a unique place by surpassing other students from all countries with its talent in Maths.

Jaitra Singh has brought glory to India by receiving the Mathematical Achievement Award-2023 in Sydney. For this achievement, the Principal of the college gave him a medal and certificate along with a tea party at his residence with his parents.

You will be surprised to know that Jaitra Singh is none other than Dr. Bharat Raj Singh's grandson, who is a Senior Environmental Scientist of the country and is working as Director General, School of Management Sciences, Lucknow. The result of whose good wishes is visible in this child also.
