Program Shayojk Arts and Crafts College of Fine Arts faculty Lucknow university professors and students -students participated.

### **Cultural heritage must be protected: Mahindra Modi**

Chief Guest, UP DGP (Technical Services) Mahindra Modi while addressing the program said that our cultural heritage will have to be preserved. We all

have to come forward to protect them. He said that if we increase the powers of ministers, officials, then we are promoting the culture of the people. He said that today our culture needs the highest rule of law. He said that if we establish the rule of law then it will be our best culture.

### **Cultural heritage is still safe in rural India: Acharya Shyamlesh Tiwari**

Acharya Shyamlesh Tiwari, Vice President, Uttar Pradesh Sanskrit Institute, a special guest said that our cultural heritage is public, but free expression is personal. He said that we are neither independent nor want to be independent. He said that our cultural heritage is still safe in rural India. He said that our society has made us a machine to make money. Unless we are a money-making machine, we cannot secure cultural heritage. He said that we have to come forward to preserve cultural heritage.

### **We are responsible for natural disasters only**

Bharat Raj Singh, president of The Institution of Engineers India said that freedom of expression does not mean that we become autocratic. He said that in ancient times only we were not given education in Gurukul. Rather we were also fully developed. He said that we have become professional. It seems as if we have become old age homes. He said that we are only

responsible for natural calamities. He said that in our cultural heritage there is the power to add everyone; the world has the power to take forward, so we need protection.

### **Cultural heritage does not mean limited to monument protection**

Saurabh Mishra, secretary of the Unite Foundation, said that cultural heritage is not restricted to temple or memorial conservation. This includes the protection of art, folklore etc. Unite's resolve is to take all the people together. It is our resolve to carry forward with any person who is involved in any good work other than daily work.

During the program BC Little of Lucknow University, University of Arts informed me that my main work is photography and graphics designing. A photo equals one thousand words. It means to say that if you want to put any condition in front of someone with 1000 words, then only one picture is sufficient for that. That photo is enough to talk about all those situations.

Dean of Maharishi Technology Technical University Prof.Hk Dwivedi said that culture is like a teacher who helps us move forward. Our trustees help us to go to the truth. He said that we need to preserve the heritage.

Director General of National Cultural Property Protection Research Bureau BV Kharbad said that culture and heritage are our heritage. He said archives, museums, ancient buildings are our heritage. It is our diversity that language changes in every five to ten km of our country. If we cannot save our culture, then it will be our misfortune. He said that we will be able to preserve cultural heritage only when we are aware. He said that France has a monalisa, but we have thousands of monalisms. Just need us to recognize. At the same time, the Unite Foundation's monthly newsletter was unveiled in the program.

The program was conducted by Radhey Shyam Dixit, Vice President of Unite Foundation. On the basis of our cultural heritage and Independent Expression Program organized by the UNITE Foundation, online competition was organized from August 7 to August 20.
