MESSAGE

I am delighted to know that School of Management Sciences, Lucknow is organizing an international seminar on “Sources of Planet Energy, Environmental & Disaster Science (SPEEDS-2019): Impact of Non-Conventional energy Sources” on 7th and 8th February 2020 at Lucknow and publishing souvenir of the seminar. The objective and theme of the seminar are very useful, and I hope that this seminar will encourage people to develop suitable methods and technologies for use of Non-conventional energy sources which are pollution free and can be used to produce a clean form of energy without any wastage.

I sincerely believe that the seminar will bring Engineers, Scientists Researchers, Academician and Industrialist on common platform and will provide opportunity to express their views for exploitation of natural, renewable and non-conventional energy sources to overcome the climatic disturbances due to environmental damages and will be helpful in promoting non-conventional and renewable energy technologies for sustainable development of humanity.

I extend my best wishes for the success of the seminar.

(Prof Sri Niwas Singh)
Vice-Chancellor
