Message

I am pleased to know that School of Management Sciences, Lucknow will be organizing a seminar on "**Sources of Planet Energy, Environmental & Disaster Science (SPEEDS)**" on 26th March, 2023.

The aim of this Seminar is to create an opportunity for participants to discuss about the recent researches and innovations in Science, Engineering and Technology. I hope that this conference will provide a common platform for academicians, scientists, and researchers to share their experiences and discuss emerging trends.

I compliment everyone behind this event and wish the Seminar all success.
