Ref: SMS/ International Seminar/SPEEDS-2022-23/Invitation

Date:

To,

Sub: Invitation to submit Technical Papers for One Day National Seminar on **Sources of Planet Energy, Environmental & Disaster Science : Impact of Impacts of Glacier Melting & Climate Change (SPEEDS-2022-23)**

Seminar Venue: Venue: The Institution of Engineers (India) Uttar Pradesh State Centre, Engineers Bhawan River Bank Colony, Lucknow-226018

Dear Sir/Madam,

We have pleasure in informing you that **School of Management Sciences, Lucknow** is organizing an One Day National Seminar on **"Sources of Planet Energy, Environmental & Disaster Science: Impact of Impacts of Glacier Melting & Climate Change (SPEEDS-2022-23)** on **March 26, 2023**, at **The Institution of Engineers(I), UP State Centre, Lucknow**, in association with **School of Management Sciences, Lucknow & MNNIT Alumni Association Lucknow Chapter**, which will provide a good platform to present your technical papers and also an opportunity to have an interaction with Researchers, Academicians and Industrialists.

The Theme of Seminar is: What are the causes of environmental changes & How it could be controlled? What are the reasons for global warming and causes for disaster and how these challenges can be overcome? How to foster the renewable energy and make planet full of sustainable energy?

You are therefore requested to kindly submit your abstract latest by **March 20, 2023** at **upsc@ieindia.org** After getting approval from the reviewer committee you can send your full length paper for presentation in the Seminar.

It is to confirm that the **Selected Papers** shall be published in the **International Journal of Physical Sciences, Engineering and Technology (SAMRIDDHI-2019-20)**, ISSN:2229-7111(print); ISNN:2454-5767(Online), in different Special Volumes and all the technical papers presented in the seminar shall be published in proceedings in a Book form duly allotted with ISBN. The areas of discussion are as follows:
